

POSL TOURNAMENT TEAM VOTING FORM

Each coach in the division nominates the top players he/she feels is most deserving to be chosen for the tournament teams from his/her division. Kindergarten plays 6v6 and a roster of 8 players will be formed. 1st thru 4th grade divisions turn in a roster of 11 players and play 8v8. 5th/6th grade and 7th/8th grade divisions turn in a roster of 15 players and play 11v11. Please refer to the POSL Tournament Selection Requirements/Policies for more information on this process. Coaches are allowed to openly discuss players and skill levels, however all votes shall remain confidential.

The POSL board member coordinating the division records the players with the most votes onto the official roster. After the roster is formed a coach will be voted on among those whose child made the team and are willing to coach. The head coach will then pick his/her assistant coach.
