

POSL Tournament Weather Policies

-Games will be played in the rain. Games will be stopped at the first sight/sound of any lightning and/or thunder.

-Lightning will result in an automatic suspension of games and we ask that everyone immediately clear the grounds and seek shelter. It is our policy that no games will start any sooner than 30 minutes after lightning/thunder.

-If games are played to or through half-time, the game will be considered complete at the time it is called.

-If a game is interrupted due to lightning prior to half-time by the referees and/or tournament officials, the affected game will be rescheduled at a later time by the POSL board according to weather and field availability. Games will be resumed at the rescheduled time with the score and time when play left off. Coaches are asked to check the POSL website to see when the games have been rescheduled. Coaches should also verify with the referees at the start of the rescheduled game that the game time left and score notated on the ref card are accurate.

-Tournament will be stopped if there is a Tornado Warning.

-The Perry Park Center will be used as a safe shelter. Address is 800 City Park Ln, Perryville, MO 63775.

-If a team has played at least 2 games, there will not be a refund given.

-If a team only plays 1 game, a 50% refund will be given to the team.
